Oadby and Wigston Borough Council

Planning Service - List of Consultees – March 2007

The following, in addition to the general public, lists examples of the various groups and organisations etc. that will be consulted by the Council during the various consultation exercises for the preparation and review documents comprising the Local Development Framework and in considering development proposals, at pre planning application and application stages. It is not intended to be definitive and it may be appropriate to consult others, while the list will be changed over time. As such it comprises a companion document to the Council's Statement of Community Involvement, but does not comprise part of the Statement.
