COLLECTION DAYS

Normal weekly refuse and recycling collection days are as shown in the street tables above.

Your recycling and black refuse sacks should be placed at the front edge of your property by 7am, on your collection day.

The normal allowance for domestic refuse for each household is three 40 litre bags, maximum weight per bag 10kgs (22lbs), or 1 normal dustbin and a 40 litre bag.

Good Friday Collections

There is no collection on this day. Your refuse and recycling will be collected on the following Friday when up to 6 black bags will be collected and unlimited recycling bags.

Christmas Collection Arrangements

You will be notified of these arrangements during December 2010.

Flats and communal properties

Flats with communal bin areas will have a weekly collection. Days may vary.

We now have collection points for household batteries at the Council Offices and the libraries in Oadby, Wigston and South Wigston.
