

Oadby and Wigston Borough Council Core Strategy Development Plan Document:
Final Report - Addendum 15 September 2010

An error has been noted in the final report, to amend the error it will be necessary to make a change to the last word in paragraph 3.22 of the report and to IC6 of Annexe 3, as set out below.

3.22 Core Strategy Policy 1 sets out the intended distribution of new development in broad terms, but the expected numbers of new dwellings in parts of the Borough are only set out in Chapter 8, which gives targets related to Spatial Objectives. Policy 1 and the following Figure 4 should include the relevant housing figures for different areas, so that it is clear how much development is intended to happen where and when, in accordance with PPS12 paragraphs 4.1(3) and 4.5. For consistency, paragraph 5.6 should be ~~deleted~~ amended.

IC6	37	Revised paragraph 5.6	Delete the second and last sentence so that the paragraph ends: “..... to deliver the Spatial Strategy.”	CC8
