

## **Oadby and Wigston Borough Council Local Plan Examination**

### Inspector's Additional Question to the Council

Having regard to the representations received during the Pre-submission Local Plan Consultation (Nov to Dec 2017) including references to omission sites, are there any corrections required to the Sustainability Assessment and if so, would those corrections change the assessments made to the selection of sites for allocation?

Claire Sherratt

Inspector appointed to examine the Oadby and Wigston Local Plan
