Bin Collection Update for Flats and Sheltered Accommodation

Dear resident,

We're writing to let you know about some upcoming changes to bin collections in Oadby & Wigston.

Here's what you need to know if you live in a flat or sheltered accommodation with shared communal bins:

- The changes won't significantly affect your communal bin collections.
- We recently informed other households that we're switching to alternate weekly collections for regular household waste starting Monday 2nd September.
- **Your communal bins will still be collected weekly.** The only thing that might change is the day of the week we collect them.

Even though the impact on you is minimal, we felt it was important to reassure you. If you have any questions, please don't hesitate to contact us.

Yours faithfully,

Anne Court – Chief Executive

Samia Haq – Council Leader
