Dear Sir/Madam

### **Oadby & Wigston Local Development Framework – Core Strategy Issues and Options Paper**

Oadby and Wigston Borough Council are preparing a Local Development Framework (LDF) which will replace the Oadby and Wigston Local Plan. We are currently working on the Core Strategy which is a strategic document and will set out the vision, objectives and spatial strategy for the development of the Borough up to 2016.

In order to assist in the preparation of the Core Strategy we have prepared an Issues and Options Paper which seeks your views on the most suitable options. Your views will help us to prepare preferred options during the autumn. A copy of the Core Strategy Issues and Options Paper together with a representations form is enclosed for your comments.

Please ensure your comments reach us by 4.15 pm on **19<sup>th</sup> August 2005** either by post, fax or email. Contact details are contained within this letter.

For further information, or to discuss the Core Strategy Issues and Options in more detail, please feel free to contact me.

Yours faithfully,

A Thorpe  
Forward Plans Manager.
