

Any Other Business Actions at the of the Hearing Sessions (Thursday 3rd May, 2018)

Unless a deadline for actions is specifically stated, the Inspector suggested that the Council should seek to respond to all action points as soon as is reasonably possible and that the deadline for these can be agreed as time progresses.

Any Other Business

- 1. Throughout Local Plan: The Inspector agreed with the Council's suggestion that it would remove all specific paragraph references and quotations linking to the NPPF and instead replace them to generic references to the NPPF to ensure the Plan remains up to date.**

The Council will make reference to all of these in its Schedule of Minor Modifications.

- 2. Schedule of Main Modifications: The Inspector asked the Council to compile a list of Main Modifications, together with a summary justification that explains the reason for each change, in a template format that the Inspector will send to the Council via the Programme Officer.**

The Council will draft a Schedule of Main Modifications and submit this to the Inspector, via the Programme Officer.

- 3. Schedule of Minor Modifications: The Inspector asked the Council to compile a list of Minor Modifications, together with a summary that explains the reason for each change, in a template format that the Inspector will send to the Council via the Programme Officer.**

The Council will draft a Schedule of Minor Modifications and submit this to the Inspector, via the Programme Officer.
