## BOROUGH COUNCIL

### **Customer Service Standards – Council Tax Team**

#### **Service Overview**

The Council Tax Team are responsible for the collection of Council Tax, which is then distributed between the Leicestershire Fire and Police Services, Leicestershire County Council and Oadby & Wigston Borough Council for a range of services. The administration of Council Tax is determined by legislation and guidance from the Government.

At our core, we are responsible for billing and collection, however, we go over and above to assist our customers, whether they are facing financial difficulties or require assistance with complex queries. We often work closely with our Benefits Team and our very own Financial Inclusion Officer, but we welcome queries and always attempt to support departments across the Council to assist our customer base.

A large proportion of our work is identifying the individual needs of our residents including where they may qualify for a range of discounts that are available to support them.

#### **Our Customers Promise**

We will:

- Be professional and treat all customers fairly
- Deliver the service within an appropriate timescale
- Ensure our staff are knowledgeable
- Ensure all our staff are trained in Customer Care
- Ensure our staff are polite and friendly

#### **Our Customer Groups**
