Subject: Areas of Archaeological Potential

Steve

Further to the debate this afternoon, I said that the Area of Archaeological Potential would remain on the Proposals Map.

However, having checked the Schedule of Minor Changes it is proposed to remove this designation. This is because policies C15, C16 and C17 to which the designation originally related, no longer form part of the Saved Local Plan and are replaced by Policy 15 of the Core Strategy.

Please can you pass this point of clarification onto the Inspector.

Thanks

Adrian
