

Opportunities for development partnership

Development Partnership Opportunities: Oadby

Oadby and Wigston Borough Council is the owner of the East Street and Sandhurst Street Car parks in Oadby. The Town Centre Masterplan proposes that the car parks could be redeveloped to provide housing, shopping and improved car parking.

There is an opportunity for a developer to join with the Council to deliver comprehensive development in line with the allocations set out in the Oadby & Wigston Town Centres Area Action Plan.
