APPLICATION FOR RELIEF – CHARITIES AND NON-PROFIT MAKING ORGANISATIONS

The Local Government Finance Act 1988 requires local authorities to grant 80% **mandatory rate relief** to business premises occupied by a charity, or trustees for a charity, where the use is wholly or mainly for charitable purposes. In addition, authorities are empowered to grant **discretionary rate relief** for all or part of the remaining 20%, and may also grant discretionary rate relief of up to 100% to other non-profit making bodies.

There is a wide range of organisations seeking discretionary rate relief. As a result this form contains a large number of questions, not all of which will be relevant for every applicant. CRITERIA FOR THE CONSIDERATION OF APPLICATIONS FOR DISCRETIONARY RATE RELIEF

The criteria to be considered on an application for discretionary rate relief are:-

1. Access. Is membership open to all sections of the community? Does the organisation encourage particular groups such as young people, women, disabled, older age groups, ethnic minorities?
2. Membership fees. Is there a joining fee? Are the fees set at a level which makes it reasonably accessible for the general community?
3. Is the membership base mainly drawn from people resident in the Borough?
4. Are there any paid employees of the organisation? If so, how many and what is their role?
5. Affiliation to any local or national organisation.
6. Provision of facilities. Is there any training or education as a subsidiary part of the organisation's activities? Is the wider use of facilities encouraged for people other than members, e.g. schools, casual public sessions?
7. If there is a bar is this incidental to the main purpose of the organisation or a predominant part of its activities.
8. The contribution the organisation makes to the social, environmental and economic well-being of the local community. Does it complement amenities provided by the Council or relieve it of the need to provide certain facilities? The organisation must be operating for wholly or mainly charitable purposes.
9. Has the organisation obtained other grants or funds? Does it conduct fund raising events or provide facilities through self help?
10. The organisation's financial position. Review of the last 2-3 years' accounts. Relief will not be granted where the organisations accounts demonstrate a lucrative financial position.
11. If the organisation is a charity shop, is its occupation intended to be temporary, e.g. over a Christmas period, or is its occupation permanent and run on a semi-professional basis.
12. Rules and constitution of the organisation. (Memorandum and Articles of Association)
