

## **The National Planning Policy Framework**

The Government has recently published the National Planning Policy Framework (the 'Framework'). If you wish to make representations on the matters raised in the Framework as far as they relate to the Oadby and Wigston Town Centres Area Action Plan Examination, please respond to the Programme Officer by **Friday 4 May**, ie one week after the deadline for all other matters, which has already been set out in within the timetable in the Inspector's Guidance Note (Appendix D).

Although the previous national planning policy statements (PPSs and PPGs) which have been replaced by the Framework no longer carry weight, the Inspector has requested that they remain as core documents in the Examination Library to enable easy comparison between previous and current national policy.

If there are any queries, please contact the Programme Officer.
