

### > Changes to the boundary

#### Inclusion

- The Lanes - It is proposed to include Nos. 61 & 65 Long Street Nos. 42-50 (even) Long Street and Nos. 2 & 4 Leicester Road.
- Spa Lane - It is proposed to include all the properties north of No 20 Bull Head Street up to and including Nos. 14-18 (even) Globe Close. This incorporates the Church of St. Weston, Weston's House, No 2 Bull Head Street and the site of The Queen's Head Public House.

#### Exclusion

- All Streets - It is proposed to remove Pochin's Close, the modern Easton and of Navigate End and Nos. 17-21 (odd) Most Street because these areas do not contribute positively to the Conservation Area.
- The Lanes - It is proposed to remove the area bounded by Bee Street, Bull Head Street, Long Lane and Ross' Lane from the Conservation Area because it encompasses modern commercial development which has eroded any traces of the area's past.
- Spa Lane - It is proposed to remove No.2 Sheenby Close from the Conservation Area because it lacks the character of the traditional properties in the area.
