

Schedule of Proposed Minor Changes to the
Submission version of the Oadby and
Wigston Local Plan

The following table details the Council's proposed minor modifications to the Oadby and Wigston Local Plan (Submission version). The proposed modifications seek to update the document, improve clarity and correct any minor errors.

It is the Council's opinion that the proposed minor modifications do not change the overall 'thrust' of the Local Plan or affect the substance or soundness of the Plan and that therefore the proposed minor modifications do not need to be subject to Sustainability Appraisal. It should also be noted that the proposed minor modifications have not been subject to public consultation.

The proposed minor modifications are proposed taking account of representations received during the Pre-Submission Local Plan public consultation that took place between 6th November and 18th December 2017.

The table below lists the proposed minor modifications in the order they appear in the Oadby and Wigston Local Plan Submission version. For each of the proposed minor modifications, information is set out illustrating 'what the change is' and 'why the change has been proposed' by the Council.
