HEALTH AND SAFETY

- No Alcohol or Glass is to be brought onto the site.
- If sharp items (knives, scissors, etc.) are required by your stall or attraction please ensure these are stored appropriately when not in use to avoid injury.
- Gazebos are permitted to cover your stall but these must be weighted down or anchored securely. If a gazebo is deemed to be insecure or posing a risk then a Marshal will instruct that it be taken down.
- Rubbish is to be collected and taken home, or placed in black bags ready for collection by Council Operatives, at the end of the event.
- If you find an item of hazardous waste within the event space (i.e. uncapped syringes, drug paraphernalia) alert a Marshal immediately. Event staff will have access to the appropriate equipment to deal with hazardous waste. Do not handle the item yourself.

- Please ensure the immediate vicinity of your stall or attraction is free from slip, trip or fall hazards at all times.
- Please ensure that all staff members operating your stall or attraction are fully aware of the evacuation routes, and the location of the First Aid and Lost Children points, displayed on your Site Map.
- Marshal teams will be wearing blue T-shirts identifying them as 'Event Staff' during Supersonic Boom. The Marshals will be equipped with a radio to summon aid in the event of an emergency and their instructions should be adhered to at all times.

SAFEGUARDING

- Safeguarding is the responsibility of everyone at Supersonic Boom. Should you witness something that concerns you, or raises suspicions about the welfare of a child or vulnerable adult, please contact a Marshal who will in turn alert the event's Designated Safeguarding Officer.

EVENT CANCELLATION

- In the unlikely event that Supersonic Boom is cancelled due to poor weather, the site being in an unsuitable condition following heavy rain, or other circumstances beyond our control a notice of cancellation will be issued, via email, to all involved parties as early as possible.
- If heavy rain has been experienced in the immediate build up to Supersonic Boom a site visit will be conducted on the morning of the event to assess the suitability of the site. If the site is deemed to be unsuitable then a notice of cancellation will be issued, via email, to all parties involved by no later than 9:30. You are advised to check your email before setting out for Supersonic Boom in this eventuality.

- It is not possible for Council Officers or Marshals to take payment of any outstanding pitch fees on site on the day of the event. Stall Holders that are required to have, and have not, paid the pitch fee will be refused access to the site.
- Stalls and Attractions are responsible for the collection and security of their takings on the day of the event.
- Stalls and Attractions are asked to make a donation from their takings on the day, made in support of the Youth Council, at the end of the event. A pair of Council Officers, identifiable by their Council ID badges, will be collecting donations at the end of the event; as part of this process the donation amount will be documented and signed for by both the donator and the Council Officers.
