

LOGIC SERVICE MANAGEMENT

March 2019

Dear Resident,

### **Traffic Management for Leicester Racecourse Events 2019**

We are working in conjunction with Leicester Racecourse to improve traffic management and parking arrangements on race / event days. The aim is to maximise the efficiency of the operations and minimise inconvenience to you and your neighbours. We have submitted plans accordingly to the relevant local authorities and want to keep you informed and updated.

On certain "special" race / event days (see dates below), when it is expected to be very busy, we would like to implement measures in the area including a temporary one-way system and associated partial road closures.

Saturday 27<sup>th</sup> April  
Sunday 26<sup>th</sup> to Monday 27<sup>th</sup> May  
Saturday 15<sup>th</sup> June  
Saturday 6<sup>th</sup> July  
Sunday 11<sup>th</sup> August  
Saturday 2<sup>nd</sup> November  
Saturday 28<sup>th</sup> December

We would value your feedback and opinion on these plans and want to work in cooperation with all stakeholders to achieve the best outcome. With this in mind, we plan to knock on doors and speak to people in the coming weeks so that we can have some dialogue on the proposals.

Thank you for taking the time to read this and we look forward to hearing from you and hopefully meeting you. Please feel free to give us a call on the number below if you would like to find out more.

Kind regards,
